

Epic, Symbaloo, Leach & ND State Library Explanations for you!

Last updated: 3/25/2020

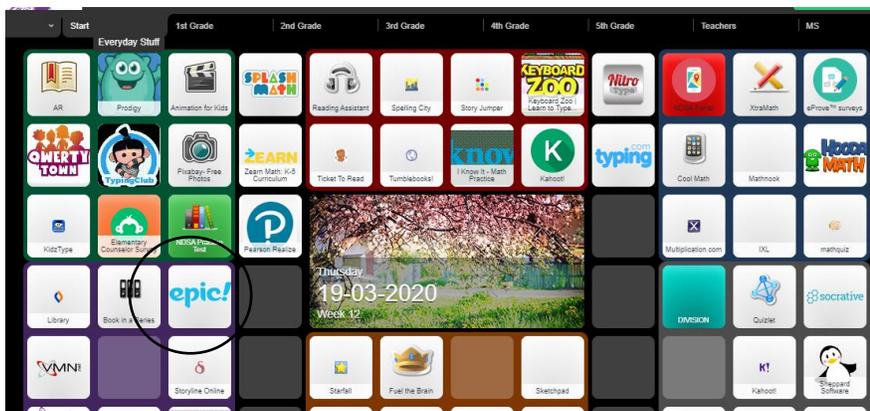

Hello to all of our dear Wahpeton Elementary Families! Below you will find resources for you and your family to utilize. One resource I would also like to include is me. Please know you can reach out to me for questions you may have and if I cannot provide an answer, I will try to find someone who can. Also, Specials (Library, Music, and Gym) have their own page on the Wahpeton Elementary Home page. I have included many book options for your kiddos to use directly from the library link. However, this document is a deeper explanation for our local resources as they provide a human element in addition to the physical resources if needed. As our Mission states, our goal every day is “Inspiring learners to be successful in a changing world” and we are here to support you and your families! Happy Reading until we see you again!

Wahpeton Public School Resources:

Epic! & Symbaloo:

<http://www.wps.symbaloo.com>

Symbaloo provides a plethora of resources for all subjects and age groups. Some may require passwords or be on site usage only. Your teachers will know more on individual grade specific resources. Your children are probably very familiar with this site. Teachers will often refer you to this site for grade specific resources. Grade selections are on the tabs at the top.

Grade selections are on the tabs on the top.

Epic!

Epic!, is a digital online book option housed on Symbaloo, for students to utilize at home either by signing up for a “Free 30-Day Trial” as a family OR if your teacher opts to create a roster they can invite your family to join via email as a free option in response to COVID-19.

Wahpeton Leach Public Library

<http://www.leachlibrarywahpeton.org/>

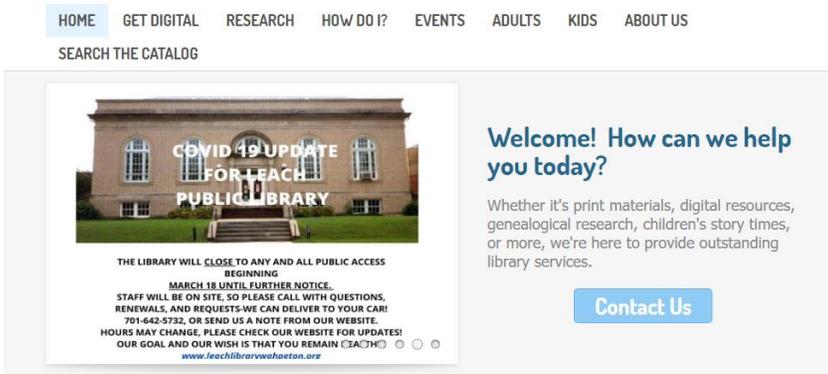

(701) 642-5732

Note: Leach Public Library is closed to the public at this time, but available as resources via phone and/or email to set up cards to gain access to resources or answer questions you may have. If you have a library card for Leach it is also good for the resources on the ND State Library site. Resources such as Tumblebooks, BookFlix, TumbleMath, Teen Cloud, downloadable files with resources for at home learning, just to name a few.

Most items are providing free access at this time. For those items that are not you can also get a card for free.

To get a card:

1. Go to <http://www.leachlibrarywahpeton.org/>
2. In the upper left-hand corner, click on "Search the Catalog"
3. Then in the upper right-hand corner, select "Log in"
4. On the top of this screen select, "If you are not registered for library services, click or tap [here to register now](#)" and follow the prompts. If you have any difficulty feel free to contact Melissa or Rachel at the contact information for Leach Library.

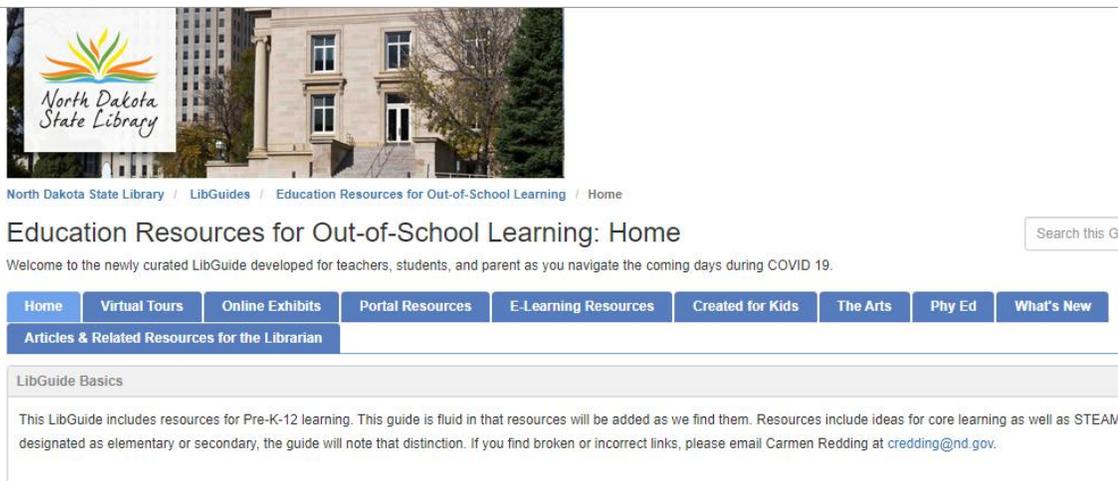

Grade selection on the top.

North Dakota State Library

<https://library-nd.libguides.com/edresources>

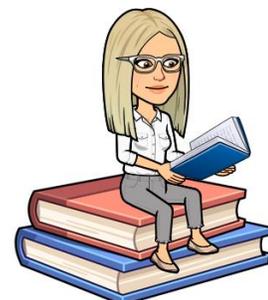

Please note that if you have a Leach Library card it also works for the State of North Dakota Library site.

GOOD NEWS! Also, as things become available for distance access at no cost the state library adds them to their resources which then populate to the Leach site as applicable. The State Library has additional informational documents/resources you may find of value.

Take Care

Wahpeton Elementary and Zimmerman Librarian
